DELIVERY

Estimated delivery dates are printed on each fixture card. Amazon: 7/10 to 7/24. Lowe's: 7/13 to 7/25. Lowe's items marked Est. pickup are held at Huntington Beach Lowe's, 8175 Warner Avenue, Pro Desk (714) 907-9035. Items marked Est. delivery ship direct. The MeiYDeng dining chandelier for Lots 13 and 16 is not yet ordered. Stage by lot as cartons land; do not schedule trim crews for a lot until its receiving checklist is complete.

BATH PLACEMENT RULES

- **Flanking sconces:** a pair of single vertical sconces, one each side of the mirror, centered on the sink at eye level. Two J-boxes. Center height 60 to 66 in AFF; final heights to be set from site photos. [CONFIRM]
- **Single vanity light:** one fixture centered on the full vanity width, above the mirror. One J-box.
- **Per-sink vanity lights:** two fixtures, one over each sink. Two J-boxes.
- Primary tub fixture centered over the tub, damp rated required.

EXTERIOR STANDARD, EVERY HOME

- Front elevation linear fixture(s) per the lot sheet.
- One 11 in black fixture above the garage door.
- Three 8 in black fixtures on the house sides: two on one side, one on the other.
- One LamQee 13.6 in linear at the garage side door.
- All exterior fixtures are black. Mounting heights per elevation sheets. [CONFIRM]

BULBS AND LAMPING

- Nearly every socketed fixture ships without bulbs. Order from the Bulb Schedule at the back of this set before trim.
- All screw-base lamping 3000K LED unless noted, to match the integrated LED fixtures. [CONFIRM]
- Alturas requires a California Title 24 approved bulb.
- EFPERFECT uses the uncommon E14 base; bulbs ship with the fixture. Keep them; replacements are a specialty buy.
- MeiYDeng ships two spare G9 holders and two spare shades per fixture; tag and hand to the superintendent.

COLOR TEMPERATURE

- Marque (Lot 16 powder) is selectable 2700K to 5000K: set to 3000K at install to match Kiel and Syden. [CONFIRM]
- EFPERFECT included bulbs are 3-color: set to warm white. [CONFIRM]
- Kaye, Syden, Kiel, and the LamQee integrated fixtures are fixed-output LED.

DIMMING

- Integrated LED fixtures (Kaye, Syden, Kiel, Marque) dim with a compatible LED dimmer.
- Socketed fixtures dim only with dimmable bulbs plus a compatible dimmer.
- Dimmer make and model per the electrical plan. [CONFIRM]

FIELD FLAGS, DO NOT SKIP

- **Over-tub fixtures:** the primary tub location requires a damp rated fixture per code. Vector is damp rated. The LamQee fabric drum listing does not state a damp rating: hold installation at the tub location until the rating is confirmed in writing. Flagged [CONFIRM].
- **Damp locations:** every bath fixture in this set is damp listed except where the lot sheet notes otherwise.
- **The 11 in garage fixtures, 8 in side fixtures, and Lot 13 front linears are integrated LED, wet location exterior products; no bulbs required.** All exterior fixtures are identified with model numbers on their cards. Rough in the J-boxes now; trim after receiving. Rough in the J-boxes now; trim after receiving.
- **Receiving:** check every carton against the lot sheet model number before it leaves the staging area. Wrong-lot installs are the number one rework risk on this program.

Receiving Checklist

RUN PER CARTON

STEP	CHECK
1	Match the carton model number to the lot sheet before staging. Never stage by photo alone; Syden and Kaye look similar boxed.
2	Open, inspect glass, count parts against the included manual.
3	Write the lot number and room on the carton in chalk marker.
4	Set aside spare parts (MeiYDeng holders and shades) and all manuals for the homeowner binder.
5	Report damage the same day; marketplace items (Zjvaive, EFPERFECT, LLHZSY) have short claim windows.
